ABOUT US:

The SMSC Organics Recycling Facility is a 45-acre site surrounded by hundreds of acres of restored native prairie and agricultural lands. Our services include recycling of food waste, yard waste, and wood waste, as well as providing high-quality MnDOT-approved compost, engineered soils, and mulch for all your project requirements. Our staff tests feedstocks and finished products to meet federal and state regulations.

Our friendly and knowledgeable staff can answer all of your compost and organics recycling questions.

OUR FACILITY IS OPEN TO THE PUBLIC YEAR-ROUND!
